HEALTHCARE

Hand & body foaming cleanser

New-generation waterless and alcohol-free alternative to more traditionally used hand-gel sanitisers, independently tested to BSEN1276 and BSEN1500, and non-hazardous to use.

Performance focus

Industry-leading research and development, combined with independent testing, ensures **Bioguard hand & body foaming cleanser** is truly effective for use across the whole spectrum of professional healthcare environments

Our intensive focus on performance delivers a product which is:

- **POWERFULLY EFFECTIVE** - Independently tested to British and European Standards BSEN1276 and BSEN1500. Effective against 1000's of viruses, bacteria, mycobacterium and spores, including MRSA, Tuberculosis, Hepatitis C, Salmonella, Avian Flu (H5N1) and Swine Flu (H1N1). For more details, please refer to our Independent Test and Safety Information CD.
- **NON-HAZARDOUS** - Conforming to the latest health and safety legislation. For more details, please refer to our Independent Test and Safety Information CD.
- **USER FRIENDLY** - Unlike more traditional solutions is not alcohol-based; contains cosmetic-grade skin conditioners and moisturisers, to safeguard users' hands from irritation or sensitisation.
- **TIME AND LABOUR SAVING** - The combined cleaning and disinfection action eliminates the need for separate products and procedures.
- **IDEAL FOR HIGH-RISK ENVIRONMENTS** - The professionals' choice since the early 1990s; widely used in clinical facilities, including mortuaries and testing labs.
- **FLEXIBLE AND CONVENIENT** - Can be used as a standalone hand decontaminant in situations where clean water is not available for washing.
- **ENVIRONMENTALLY FRIENDLY** - Proven by independent environmental audits to be non-toxic, biodegradable and non-accumulative in the eco-system. No special procedures are required for product disposal or in case of spillage.

Client testimonials

"Bioguard hand & body foaming cleanser is really effective for cleaning and disinfecting patients who are bed-bound"

Nursing-home professional

"Bioguard hand & body foaming cleanser is more effective than alternate surgical gels and is less of a health and safety risk"

NHS Nurse

"A much better and more economic alternative to hand gels"

GP Practice manager
