User Information

Glove care: To get the best service from your gloves ensure that after use all contaminant is removed.

Storage: store in dry conditions away from direct sunlight and heat.

Fit for special purpose: Gloves are designed to be tight fitting to the hand, Therefore they may not meet the requirements of EN420

You are advised to retain this packaging for reference.

Protection levels apply to the coated part of the glove only.

Note: Should not be worn where there is a risk of entanglement with moving machinery.
