

Kutlass® PU300-12-OR

Polyurethane Coated Glove

Product Datasheet

OUR REF: Kutlass® PU300-12-OR

PRODUCT DESCRIPTION

Specialised HPPE yarn provides good cut protection in this close fitting, comfortable glove. The seamless, lightweight and breathable liner assure maximum user comfort. PU coating provides good grip in oily situations and offers good abrasion resistance. Open thumb and first 2 fingers ensure maximum dexterity for special applications. The **Sanitized® hygiene function** promotes freshness, hygiene and odour repellence in extended usages.

TYPICAL APPLICATIONS

Cut protection and dextrous applications, manufacturing, assembly line production

PACKAGING: Per Pack: 5 pairs

Per Box: 50 pairs

Part of the
**Colour Coded
Range™**

Technical Details

Tested in accordance with EN 388, EC type examination carried out by:

SATRA Quality Assurance Ltd, SATRA Technology Centre, Wyndham Way, Telford Way, Kettering, Northamptonshire, NN16 8SD, United Kingdom (Notified Body No. 0321)

The results are taken from the palm area of the gloves and the un-coated surface may have reduced performance levels.

► **The Sanitized® hygiene function** brings increased freshness, comfort and protection.

- **Sanitized®:** These gloves incorporate a Biocidal product. The Biocidal treatment protects against a broad spectrum of Bacteria and Fungi. The active Biocidal substance - Zinc Pyrithione - promotes freshness and inhibits odours.
- **Storage:** Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight.
- **Maintenance:** Both new and old gloves should be thoroughly inspected before use to ensure no damage is present. Gloves should not be left in a contaminated condition if reuse is intended - if contaminated, gloves should be cleaned as far as possible
