

Matrix[®] P Grip

Matrix[®] P Grip is a seamless knitted liner with a polyurethane palm coating offering excellent dexterity and good protection against abrasion and tear hazards. The close fitting design makes it an extremely tactile general handling glove that is perfect for meticulous tasks requiring care and precision. The polyurethane palm coating provides good abrasion and tear resistance, and has an assured grip in both wet and dry conditions. An extremely versatile glove, the Matrix[®] P Grip also has the additional bonus of being incredibly good value for money.

Typically used for:

- Component Handling
- General Assembly
- Electronics
- Light Engineering Work
- Joinery
- Plumbing • Mechanical Work
- Automotive Maintenance & Repair
- Automotive Engineering

Case Quantity:

12 pairs per polybag
