Features

- Tested to EN374
- Extended cuff (300mm glove length)
- AQL 1.5
- Matt-black finish
- Free from powder
- Ambidextrous
- Beaded cuff
- Manufactured with textured palms and fingertips
- Medium-weight construction

Benefits

- Resistant to a range of chemicals
- Extended cuff helps prevent liquids getting into the glove when working in wet conditions and provides additional protection from chemical splashes
- Meets medical standards for pinholes
- Matt black finish masks blood and ink, and reduces hand and eye strain when working on complex designs
- Reduces risks of latex allergies (Type I sensitisation) and minimises particulate contamination
- Ambidextrous fit means you don't have to split a pair to replace a damaged glove
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back
- Textured palms and fingertips provide improved grip, particularly when working in wet or oily conditions
- Medium-weight construction provides a balance of strength and sensitivity
